2014 Season

The Saturday Night Cruisers Car Club has been voted the best car club in Orange for three years in a row

The SNCCC is not only about cars, because our main focus is helping the community and all our efforts and proceeds go to helping worthy causes and people throughout the Orange County area and beyond. We are the host club for the My Ride show, benefiting People to People and Sacred Heart Church, both in Monroe. We host the Barton Birks show for Breast Cancer, the 911 show to benefit the Police and Fire Fighters Widow Fund, and the Luciana Nicolosi shows and fund raisers for a sweet little girl who needs a double transplant. We do a lot more shows in Stony Point, Pine Island, Middlehope, Washingtonville, Montgomery and all kinds of Parades. Our regular shows are Saturday Nights in Vails Gate/New Windsor. Yeah, we're a very active club.

As a valued sponsor of the club you will not only be helping all these causes and more but you will also have an excellent opportunity to market your products and services. You will get your link on our web site, trophies will be given and engraved with your company's name, your company will be announced at all club functions, recognition of your participation will be circulated on all show flyers, we will display a company banner, if provided, and your company can attend all the shows, select your favorite vehicle for a Sponsor Choice Trophy, club holiday party and you can even attend and set up a tent to promote your products at all the club sponsored shows and more. You can even ride in the parades, convertible required.

Take a look at the articles attached, let us know if you have any questions, and send your check to the address shown on the registration form or give me a call and I'll come by and pick it up along with your company banner.

Thank you in advance for your consideration and get out of the office with us and have some fun.

Regards,

Nick Lena
